Statistical Ecology: Proceedings of the International Symposium Sponsored by the Ford Foundation and Others, Held in New Haven, Connecticut, August 1967. Statistical Ecology: Spatial patterns and statistical distributions Volume 1 of Statistical Ecology; [proceedings] Edited by G.P. Patil, E.C. Pielou [and] W.E. By providing an awareness of the statistical foundation for existing methods, the book will make biologists more aware of the strengths and possible weaknesses. It is almost inappropriate to publish an article on statistical ecology in this journal which records botanical progress, for many. The procedure consists in. REFERENCES Ashby, E.
